This is a transcript of the 103 building Lot descriptions taken from the 1873 Field Estate Auction document now in the possession of Tony and Mary Macer of Berkshire House, Bowbridge Lane - part of Lot 28. I have tried to give an indication of the huge array of typefaces used by the original printer, but some defy reproduction!

When comparing Lot sizes it is useful to know that  $1 \mod 1,210$  sq yds, and  $1 \mod 30.25$  sq yds, and there are four roods (so 4840 sq yds) in an acre!

William Cowle had just bought the Estate from the Hawkins family, last in the line of inheritance from the Arundells of Stroud. On my website I tell the story of the events which led up to the sale and this second phase of research concerns the building development post-sale.

# Conditions of Sale.

There are 14 conditions of sale, mainly to do with the rules for the day of the auction, the investigations undertaken to prove the right of the Vendor to sell, and a blank tear-off receipt slip. I have only transcribed here the following, which are of interest to specific plot-holders:

- 3 ... Each Purchaser shall immediately after the sale, pay into the hands of Mr. Wilberforce Heelas, of Stroud, the Vendor's Solicitor, a deposit of £10 per cent.... if the completion of the purchase shall be delayed after the 19<sup>th</sup> December next the Purchaser shall apy interest at the rate of £3 per centum per annum ...
- 4 The respective purchasers of each Lot shall, immediately after the sale, pay to the Vendor's Solicitor for their respective Contracts the following fees:- Lot 27, five guineas; Lot 28, three guineas; Lots 1 to 10 both inclusive, 15 to 28 both inclusive, and 29, 30, and 55, two guineas in respect of each of such Lots; Lots 30 to 41 both inclusive, one guinea and a half in respect of each such Lots, and each of the remaining Lots one guinea. The respective purchasers shall also pay a like fee for each of the Lots to the Auctioneers as is payable to the Vendor's Solicitor.
- 11 The Vendor will retain the ownership of the road between or abutting on Lots 42 to 55, and 31 to 54 inclusively, and leading from Stroud to the Horns, but the several Purchasers of those Lots are to have a right to use such road for all purposes, bt only as appurtenant to the respective Lots purchased by them ... after completion of the purchases, the several Purchasers shall keep in good repair so much thereof as lies opposite the Lot or Lots purchased by him or her and to the entire width thereof, except only where there are two frontages to the said road and then to a moiety of the width ...
- 12 Each purchaser shall ... erect and set up on the Lot or Lots purchased by him or her ... good and sufficient fences ...
- 13 The several Lots will also be sold subject to the following ... [conditions as to building, subsequent use, forbidden industry or activities all as already transcribed in the Deed of Mutual Covenant which mandatorily formed the starting point for all subsequent sales of every property built on the Field Estate (including our own) ]
